

CASA for the Highland Lakes Christmas Angels

Our Angels Are Ready To Fly in November 2015!

CASA for the Highland Lakes Area, a charitable non-profit organization that speaks up for the best interest of abused and neglected children, is currently collecting donations for its Angel Tree.

We are asking for the donation of new and unwrapped gifts, or gift cards. Children in foster care have such little control over their lives. A gift card allows them an opportunity to pick out a gift they can truly call their own. Something as simple as shopping can be incredibly rewarding and fulfilling for a foster child.

The angels may be picked up in November and December. Please bring the unwrapped gifts or gift cards to the establishment where the Angel was originally picked up by December 3, 2015. The gifts can also be delivered to the CASA for the Highland Lakes Area office at 1719 Ridgeview in Kingsland, weekdays between 8:00 AM to 5 PM.

Thank you for helping our CASA kids!
