

CASA ANGEL TREE TOY DRIVE

**This holiday season,
Give the gift of hope to an abused child.**

WAYS THAT YOU CAN GET INVOLVED

Host an Angel Tree

Display the angels on a Christmas tree, wreath, stockings or bulletin board in your office/place of business. Employees and customers can pick an Angel and return new, unwrapped gifts to your location or ours.

Adopt a Family

Let us provide you with a group of siblings to shop for this Christmas. A great giving opportunity for co-workers, social groups and families!

Host an Angel Tree Gift Card Box

Place a CASA gift card box in your office/place of business. Most of the children in care have never had the opportunity to shop for themselves. Help us let them pick out something special this year!

Host a Toy Drive

Are you having a Christmas party at home or at work? Ask your guests to bring a toy. This is a great giving opportunity for co-workers, social groups and families!

Donate Online

Are you avoiding the shopping malls this year? No worries, you can donate online and our elves will handle everything for you!
