

Third – Party Event Fundraisers for CASA

Thank you for your interest in supporting CASA for the Highland Lake Area’s work to serve abused and neglected children with a third-party fundraising event. To best meet the needs of the children we serve, the event must be compatible and aligned with the mission, vision and values of our CASA program. If at any point CASA feels otherwise, CASA for the Highland Lakes Area may opt out of participating in the event.

DONOR ACKNOWLEDGEMENT

- A donation solicited on CASA’s behalf, whether an item or cash, is tax deductible only when it is made directly and entirely to CASA. This information must be made explicitly clear in the promotion of the event.
- When a portion of the ticket price, entry fee, or “suggested donation” for a third-party event is not tax-deductible, a statement to that effect must be included in all appropriate materials.
- Promotional materials will state that a percentage of the proceeds will benefit CASA for the Highland Lakes Area from both general and unique ticket sales.

- Under no circumstances should third-party event revenue and expenses flow through CASA books. Only the final net proceeds from the event are to be processed by CASA for the Highland Lakes Area.
